Independent / Assisted Living

**Life begins at Cedar Village.**

**Welcome.** Cedar Village is a not-for-profit retirement community,

located in Mason, Ohio. We offer a wide range of services, and the care of our residents is our first priority. We celebrate the individual and

recognize their unique needs, histories and personalities. We offer services for the whole person, meeting their physical, emotional, social and spiritual needs to ensure that they achieve an optimal quality of life. We take our commitment to the community very seriously and we live our mission, to provide residents of the Greater Cincinnati community with the highest quality healthcare, senior residential and community services, in keeping with Jewish values. Our vision is that aging will be a fulfilling and enriching experience for

older adults and their families and our work is focused on that objective. Cedar Village, in addition to our living options, offers innovative services. We have full time pastoral care, including both Reform and Orthodox Rabbis. With our open admissions policy, we also connect residents with their own community clergy and worship services. Our kosher deli is open to the community six days a week. We have a bank on site as well as two beauty salons, a full stocked gift shop and several resident libraries. ■
